Apartment Proposal Considered

A large group of approximately 70 gathered at a hearing held by the Board of Appeals on Thursday to consider a Harbor Road variance to allow a 42 unit apartment complex. The 21-acre site is Lot 56 on Harbor Road. Donald J. Fleming, attorney, represented Chart Realty, the developing firm headed by Mr. Charles Decas.

Mr. Fleming outlined the proposal for the development which is on Harbor Road, Mattapoisett Neck facing east on Mattapoisett Harbor. He said that Mr. Decas would plan to run a \$75,000 water line to the apartment and would allow other residents of the area to be served by the same main. Mr. Fleming said that 11 acres of the plot would be reserved as a green belt to be left in its natural state except for a recreation area containing tennis courts. Mr. Fleming said that, if the variance is granted, a 42 dwelling limit be written into that variance. He stated that, although the developer has no intention of conveying the premises, a guarantee would be given that no such conveyance would be made for a 2 year period following the completion of the apartments. If the apartments were conveyed, he said, the intention would be to convert them to condominiums. Mr.

Fleming said that literal enforcement of Mat-
tapoisett's Zoning Law would force the developer
to go to single family homes. In this case,
a 34 lot sub-division is envisioned with no
town water. He said that both well and septic
system would be contained on each lot posing
possible contamination problems. In contrast,
he said, the 42 unit apartment house would
have public water, a state inspected septic
system, no building closer than 100 feet from
the property line, a full time maintenance man
and a green belt of approximately 10 acres.
The apartment was described as 2 story, brick
construction, garden apartments each unit of
12,000 square feet with 2 bedrooms and 2 baths,
a deck patio, living room, dining room, enclosed
kitchen and generous closet area.

ing inspector, stated that the last hydrant on the Mattapoisett Neck line was tested by him this year with the result that it maintained a 7 foot stream of pressure for less than 2 minutes. He said that he didn't believe that the main would support the requirements of the apartment and he didn't think the town Water Department would guarantee the pressure needed to serve it. He said, according to the code, an elevated water tower would be necessary.

Mr. Russell LaFrance opposed the variance. He said that a hardship is an unexpected blow but that, in this case, the developer knew that this plot is marginal land which is saturated most of the year. He thought it would be physically impossible to put in 34 septic systems for that number of individual houses in the alternative plan.

Selectmen Robert Silveira said that at the last town meeting the town considered and -

Annual Meeting Held

The 141st annual Corporators' Meeting of the Fairhaven Savings Bank was held at the Harbor Beach Lodge in Mattapoisett on Monday evening. The greatest number of corporators ever were in attendance for the meeting, which followed a buffet dinner.

Robert E. Brown was re-elected Clerk of the Corporation for the ensuing year, and the following officers were re-elected: Richard H. Carpenter, president; Lawrence B. Maxfield, George R. Graves, George A. Bunnell, Jr., vice president. Trustees re-elected for a term of three years were: George A. Bunnell, Jr., Richard E. Chase, Charles L. MacLauchlin, William H. Carey, Carleton Burr and Lazarus Alexion.

Mr. Carpenter reported to the Corporators that the new Main Bank was being received very well by its customers, and now that most of the road construction work is finished, it will be very easy to reach the Bank from any direction. A new illuminated sign will be erected in conjunction with the Brockton Public Market to mark the Washington Street entrance.

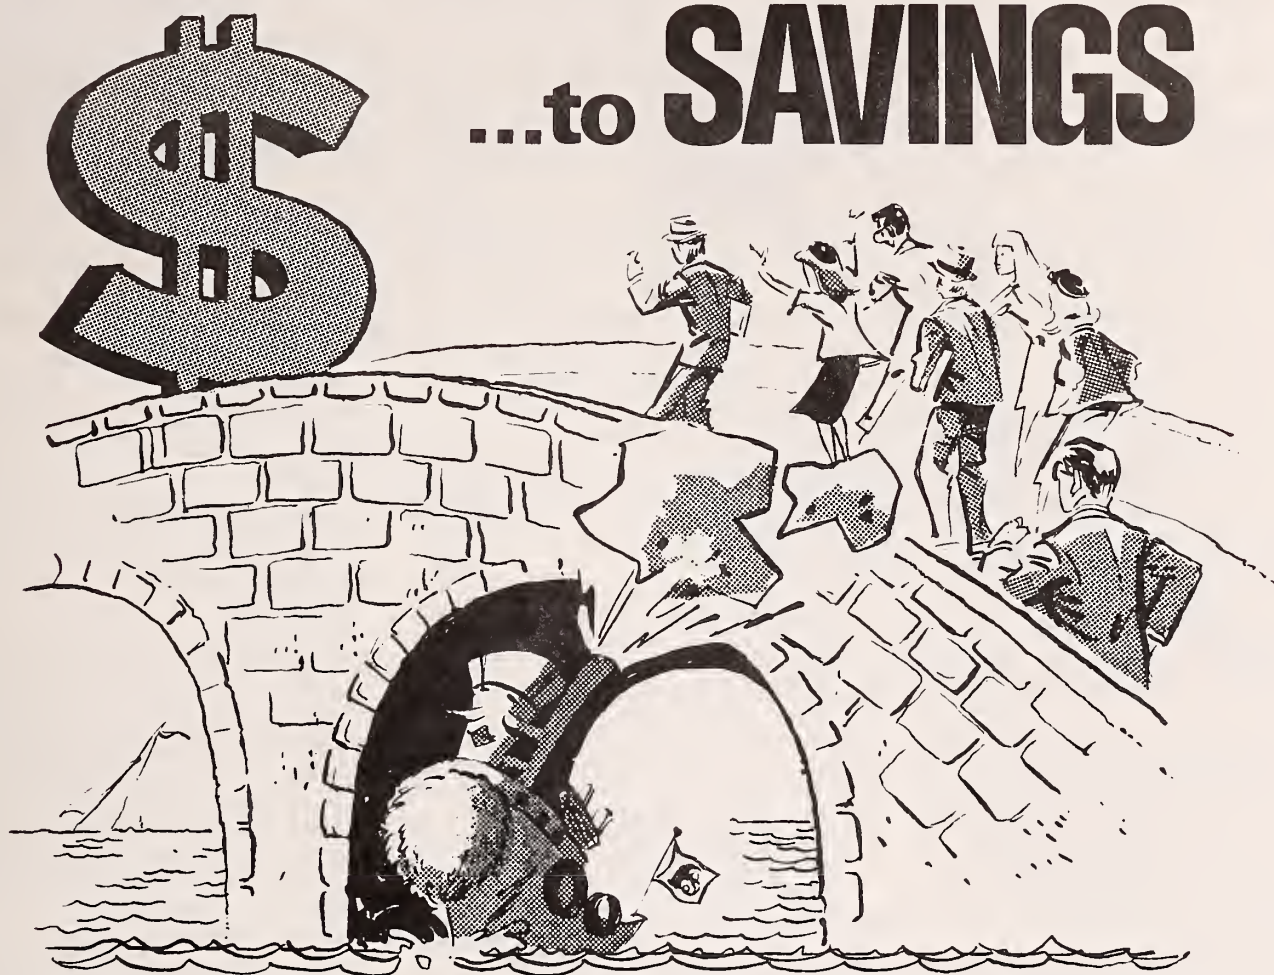

Due to recent legislation passed by the State Legislature, effective February 1, 1974, no corporator over age 75 will be able to continue to serve the bank, and it was also pointed out that any Corporator serving on more than one savings bank board will immediately have to make a choice of which bank board he will be a member. As of January 1, 1975, no Corporator can serve as an officer of Director of a National Bank, Trust Company, or Co-operative Bank, Savings & Loan Association or Credit Union.

The highlight of the evening was the presentation to all of the Corporators of neckties bearing the distinctive logo of the bank. The ties were specially created for the bank by the world renowned Prince Consort Tie Company of Baltimore, Maryland. The ties are royal blue with the white logo woven into the material.

Spouters' Production

"A TASTE OF HONEY"

Continuing at the Dartmouth Middle School in Dartmouth is the Spouters' production of "A Taste of Honey", a drama by Shelagh Delaney on November 23 and 25 at 8:30 P.M. Cast members Linsey Craig, Patricia Bolton, Michael Souza, Skip Niles, and Anthony Thomas are being directed by Joan Mackler in a sharply poignant story concerning the emotional strife between a young girl and her mother. Tickets for the performances are available at the door at the Dartmouth Middle School, Haw-

thorn Street, Dartmouth, or call 996-4580 for complete information.

O.R. Soccer in Finals

The Old Rochester Regional High School Soccer Team has just completed the finest season in its history. Their overall record was a most impressive 8 wins, 2 losses and 3 ties.

On Saturday morning, November 10, the entire varsity team was treated to a breakfast, put on by parents and friends of the soccer team. Many thanks to all who helped make this breakfast such a huge success; also very special thanks to Gibbs Dairy of Rochester for donating all the milk for the meal. Dr. Joseph Kunces was in attendance and gave the boys a most appreciated talk, praising them for their past efforts and wishing them "Best of Luck" in Saturday afternoon's State Soccer Tournament at Boston College Alumni Field.

The team played Duxbury in the tournament and it took four five-minute overtimes to finally determine the winner. Even when the extra playing time was over, the score remained 2-2. Duxbury finally became the winner because of a special ruling on the number of corner kicks, which Duxbury led 4-2. It was a fantastic game and all of Old Rochester should be extremely proud of Coach Richard Threlfall and his 1973 Soccer Team.

RESULTS OF GOALS ASSESSMENT MEETINGS

On Thursday, November 29, at 7:30 P.M. at Old Hammondton School, the Mattapoisett Parent-Teachers' Club will sponsor a meeting with Dr. Joseph Kunces, Superintendent of the Old Rochester Regional School District, the School Committee, and the Special Needs Administrative and Teaching personnel for the Mattapoisett schools.

The purpose of this meeting will be to discuss the results of the Goals Assessment

meetings held last year. Dr. Kunces feels that since parents in Mattapoisett requested and provided support for Special Needs personnel, they should be informed of the progress which has been made in fulfilling their requests.

Mr. Philip F. Devaux, Director of Curriculum at Old Rochester Regional, who was chairman of last year's Goal Assessment meeting, will review the discussions which took place at that session, and will serve as chairman for the evening.

Also present on November 29 will be Dr. William Quinlan, Director of the Special Needs Program, the Principals of Center and Old Hammondton Schools, Miss Katherine Aurich and Mr. Raymond Carvalho; and the Reading Specialists and Speech Therapist for the Mattapoisett schools.

It is the hope of the School Administration and the P.T.C. that all parents will join in this evaluation of the results of the Goals Assessment meeting.

Marion Churches Join

A union Thanksgiving service, sponsored by the Marion Ecumenical Council and participated in by the four churches of Marion, will be held at 7:30 tonight, November 21st, in the First Congregational Church. The Rev. Gerald Shovelton, pastor of St. Rita's Roman Catholic Church, will be the speaker, assisted in the service by pastors of the other churches, First Congregational, United Methodist and St. Gabriel's Episcopal.

The Congregational Choir, directed by William C. Maxwell, will be augmented by singers from the other churches. Everyone is invited and those attending are asked if they care to, to bring items of canned goods or other non-perishable foods, for later distribution to local families. The Marion Youth Fellowship is contributing money to buy a turkey to go to some family selected by the Visiting Nurse.

APARTMENT PROPOSAL From Page 5

rejected a 3 page program for the extension of the water main. That engineering plan showed that a booster station would be needed to give water pressure. An extension of the line without such a station would cause a vacuum in the line, he said.

Wallace Underwood, abutter, spoke in opposition. He said that he is building a home directly in front of the marsh on an adjoining lot. He said that a walk through the woods on the developer's land after a prolonged dry spell proved to be very wet. He said that, if trees are cut, runoff to the marsh would increase further. He said that either proposition might threaten the marsh with pollution from septic runoff.

William Mansfield, abutter, spoke in opposition. He said that 42 units would generate 8,000 gallons of sewage per day. He noted that the leaching field is approximately 500 feet from the marsh and 800 feet from the harbor and asked, "Where is all the sewage going to end up?" He said that the town had unanimously rejected water line extension to Mattapoisett Neck. Partly rejected he said, because of the impact of development of the region.

David MacCormack of Shell Beach opposed the variance. He said that there is no hardship because the problems existed before the developer purchased the land. He said the petitioner also knew about the zoning provisions which all residents have to use as a standard. He said that he had served as a member of the Water Needs Committee and in study of the water lines was convinced that revision of the line must start at the North Street water tower in order to get sufficient pressure. He said that the main to the terminus at the Neck was 6" pipe. He noted that the developer proposed to tie into this with a 10" pipe and said he couldn't understand how the Town Water Department could consider that good engineering. He expressed a conviction that the pressure would not pass fire standards.

Lee Estes spoke in favor of the apartments. He compared the 34 individual homes to the 42 apartment units and felt that the apartment complex and green belt would be preferable.

Clarence Verdi, who lives in the area, spoke in favor of the variance. He said that it would bring new blood into the town and would prove a tax asset.

that Mr. Decas' Mattapoisett Shores development had been developed adequately and had enhanced the whole area. He said that he was certain that the developer would develop either plan admirably.

James Henderson opposed the variance. He said that if the town allowed one apartment then there would be no possible way to stop others. He expressed the view that developers could appeal to the State and once a precedent was established the State would overrule local authorities.

In answer to a question, Mr. Michael Hick-ey, chairman of the Board of Health, stated that, in the apartment proposal, the Town

Board of Health would not have jurisdiction since any sewage flow of over 2,000 gallons per day is under the control of the Massachusetts Board of Health which would approve the apartment septic system.

Mr. Charles Decas, the petitioner, took the floor to introduce himself. He said that

he considered that a 34 lot division was a poor way to develop the land. He expressed the hope that in either case there would be the best of relations between the neighbors and himself.

The meeting was adjourned by Mr. Blanchette and the matter taken under advisement by the Board of Appeals.

Mattapoisett Town News

The Mattapoisett Selectmen's meeting opened in the second floor conference room with an unusual number of citizens in attendance. The Selectmen invited Patrolman Philip B. Marcosa to explain his side of the incident recently the subject of a complaint by Mr. Paul Kelley, fire alarm superintendent. Mr. Kelley had stated that Patrolman Marcosa, who was in charge of the 24 hour control center desk, had refused to

log information presented to him because, in Mr. Kelley's words, it was "not important enough". Marcosa said that he never made that statement. He said that he felt the information was in the category of classified information. His instructions in such instances, he said, were to clear the information through Deputy Chief Duane Tuttle so he wrote it in long hand to have it approved by him. This action was supported by Tuttle who said that a portion of the information was logged after approval but that another part was not logged because it was in the nature of an investigation and did not properly belong in the log because it should not be general information.

Chief Faria read a statement which he said was meant to clear up some confusion that has existed concerning the police department. He said that he had not yet received a reply from Selectmen about revising the rules and regulations of the department though he said he'd submitted the information in mid-August. Concerning the resignation of Patrolman Russell F. Tinkham, he said that Tinkham had just walked into the chief's office, laid his badge on the desk, and told the chief he was quitting. Faria said that he asked Tinkham

for a formal letter of resignation which had not yet been received.

Following this informal inquiry, the Selectmen adjourned to their office. They decided to ask Chief Faria, in reply to a November 8th letter received from Joseph P. Shannon, Executive Director of the Massachusetts Police Institute, to request an investigation of the Mattapoisett Police Department in order to revise the rules and regulations and update the records' system. They will also ask the Chief to request a General Survey of his department as soon as such service is available from the Massachusetts Police Institute.

request of the Police Department as a deterrent to vandals. He said that the policy will be revised if Selectmen deem it advisable.

The interior lights which burned all night have been extinguished following a suggestion to Robert Silveira, a Selectmen and a member of the School Committee, that the energy crisis could be served by a less lavish means

of illumination.

CONSERVATION URGED

All town departments have been urged by Selectmen to examine its fuel supply, institute careful control over use and take steps to insure an adequate supply of fuel for essential town services.

HAROLD VOKES HONORED

The flag at Town Hall flew at half mast on Saturday the day of Mr. Harold Vokes' funeral.

Expense of Not Caring

MATTER OF VANDALISM

The Mattapoisett School Committee, in an attempt to reduce the incidence of vandalism occurring at the Center School, requests that parents make a concerted effort to discuss this matter with their children with particular reference to the costs of these damaging acts. Windows, window frames and screening devices have been smashed by thrown rocks; fires have been set in the rear of the building; the building has had paint thrown at it, gutters destroyed and excessive litter has been thrown around the grounds. The Committee is of the opinion that if everyone takes the time to "care", positive results and the elimination of this costly waste can be achieved.

Wareham's Junior Miss

Saturday, November 24th, marks the date for the annual Wareham Junior Miss Pageant. The time is 8 P.M. and the place is the Old Rochester Regional High School. Tickets may be purchased at the door. A novel, fast moving program has been planned and rehearsals have been taking place for three weeks. Twelve beautiful and talented young ladies will vie for the coveted title of Junior Miss. With this title the winner will become eligible to participate in the Massachusetts Junior Miss Pageant and, if success there is hers, to have the opportunity to become America's Junior Miss. Two of Wareham's Junior Misses have made it to the final, big Pageant in Mobile, Alabama. Perhaps this is the year that one of our girls will become America's Junior Miss, with all of the great rewards that go with that title.

All of these girls have already met the scholastic requirements. The Massachusetts Junior Miss, our own Swea Nightingale, will be in attendance to make introductions and presentations.

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with all officers present. It was voted to take part in the testimonial given in honor of the new State master of the Mass. State Grange, Rexford R. Smith, of West Springfield.

It was voted to have William Smith, business agent, investigate the possible care the Grange should receive for keeping the furnace repaired.

An invitation was received from South Middleboro Grange to be with them on December 7th when the St. Joseph Senior citizens will entertain, on its 60th anniversary; also to a New Year's party on December 31st. It was voted that all those who could would go.

The election for a lecturer was held and Katherine Buckley was elected. Herbert LaFleur, past master of Acushnet Grange and Sippican Pomona, was the installing master, assisted by Dennis Sylvia, Lauren Horne, Phillip Barrows and Marjorie Root at the piano.

The program was opened by the new lecturer conducting a lecturer's march.

January, February and March was judged the prettiest table, April, May and June the cake, and October, November and December the program. All present received a prize, with Herbert LaFleur as judge. All marched to Al's music and received a birthday hat. Refreshments of cake and punch were enjoyed.

The next meeting will be December 6th, the program to be in charge of Margarite Vaughan and Susan LaFleur.

More Campbell soup wrappers were brought in and the count will be given at the next meeting. December 6th is the deadline for the Grange. Anyone saving them please get them to Mrs. LeBaron by then.

The ways and means mystery package was awarded to Mary Beth Breton and the Thanksgiving turkey to Miss Gail Souza of Westport.

This was the night when all members celebrated their birthday.

Four tables were brightly decorated with candles and birthday cakes. Each group put on the following programs: those having birthdays in January, February and March were in charge of Mary Beth Breton who pre-

sented Kathy Buckley who gave the horoscope of each one; Susan LaFleur was in charge of April, May and June and presented Earle Wilson who gave a reading and Albert Alvernaz who rendered songs of long ago, and

Mattapoisett Seniors

The Senior Citizens' Club of Mattapoisett held a meeting Monday, November 11th, at the American Legion Hall, the club's Drop-In Center.

Mrs. Sophie Sterling, president, presided over a very large attendance. Many new members have joined the club. The dues have been increased from \$1.00 to \$2.00 per person. The year runs November 1 thru October 31, 1974, the final due date for payment being February 11, 1974.

There was also an election of officers. Mrs. Sterling declined, informing the club members she could not take on another term as president. She has worked hard and is on several boards, committees and other capacities in the Senior's Club, as well as attending the Senior Senate, and vice-chairman of the Council on Aging.

By unanimous vote the following officers were elected: president, Richard Corby; vice-president, William Huggard; treasurer, Mrs. Emily Wingate; secretary, Mrs. Gertrude Silveira; publicity and trips, Mrs.

He is very well liked and will have full cooperation of all the club members. It was a pleasant meeting. At the close, the usual chit-chat was held amid the enjoyment of delicious refreshments.

The next meeting will be on Monday, November 26th, at the American Legion Hall in Mattapoisett at 2:00 P.M.

Wednesday, November 14th, the second in the series of the monthly whist and card games was well attended. Especially enjoyed is the coffee and refreshment break, strengthening old friendships and making new ones.

Junior Grange

Mattapoisett Junior Grange held its meeting last Sunday afternoon with the worthy steward Phillip Barrows presiding.

Mrs. LeBaron presented State Grange awards to Trina Bigham for the Bean Bags, a State project, that she made; and to Nelson Hiller for the article he made of drift wood, a conservation project. It was discussed and voted to ask the Subordinate Grange to combine the Junior and Subordinate Grange Christmas party, not only for togetherness but in compliance with the energy situation. This would eliminate opening the hall but once. More about this after the Subordinate's next meeting December 6th. A most unusual exhibition of cars, trains, circus cars and carriers, plus a village, was demonstrated by Mr. William Smith for the Juniors. It was a large display, with tracks to run the trains on. These were wooden articles and made by Mr. Smith, showing many years of an enjoyable hobby. The next Junior meeting will be Sunday, December 9th, from 2:30 to 4 P.M.

COUNCIL ON AGING

The Mattapoisett Council on Aging held a meeting in the Town Hall November 13th which was presided over by the chairman, Attorney Charles Adams.

The Council maintains a "Service Center" in the Town Hall in Room #202. The hours at the Center are from 1:30 to 3:30 P.M. and the telephone number is 4307. This is for the benefit of all senior citizens of Mattapoisett. This is the place to obtain information, inquire about the activities of the Senior Citizen's Club and meetings at the Drop-In Center which is at the American Legion Hall.

There is someone in attendance there Monday thru Friday to assist you or refer you to the proper source. Keep up on Senior Citizens news and events concerning seniors.

NOTE: Senior Citizens are admitted free to the Museum of Fine Arts in Boston Monday mornings.

Plans are being formulated for trips. Watch Presto Press and contact the Service Center when definite dates are set. Hints of what is in the offing: LaSalette for Christmas illumination, and near future, Florida and Disney World, "The land of magic Hawaii", spring and summer trek. Begin dreaming and start saving.

Letter to the Editor

Please accept my hearty thanks for your editorials of the 7th and 14th, November. You are a joy to the discerning voter who realizes how much harm has been done our country by the self-seeking aggression of so many politicians and representatives of the mass media.

Like yourself, I admire the wonderful job that our President has done and hope that the Congress will cooperate in the needs of the present hour.

Yours for God and Country,
John Shade Franklin
